

Unclaimed capital credits checks

The following is a list of members and former members we attempted to issue capital credits checks to in November 2013. The checks were mailed to people who had service from Butler Rural Electric Cooperative during the years of 1998 and 2013.

The publication of this list is the official notification of unclaimed checks. We will also mail postcard notices to the members' last-known addresses. Members listed have 90 days after the publication of this notice to claim their check.

If your name is listed below, please contact Butler Rural Electric Cooperative by calling 513-867-4400 or 800-255-2732. If you know an individual or organization on the list, please have them contact the cooperative's office.

This list will not be modified or updated.
